## The Good Samaritan Program

The Good Samaritan Program is a service provided by a group of residents in Zellwood Station. When a death is reported, with the Family's permission, a notice will be posted in every village mailroom. It is important to let your family members know about our program.

Family members, friends, and neighbors may contact Beth Murphy 407-463-3030 with the death information. She will notify the other village chairmen of the details. (List of committee members is posted in each mailroom).

If needed, after a Celebration of Life service for family and friends, the Good Samaritan Committee will provide a luncheon.

It is a privilege for the Good Samaritan Committee to provide these services for the residents of Zellwood Station. If you have any questions regarding our program, or wish to be added to our list of people who would like to work or cook for us, please contact Beth Murphy at 407-463-3030 or Pat Sabin at 407-880-2735.
